

Imām Aĥmad Ridā and Tafđīl al-Shaykhayn

Abu Hanzala

(Released by www.aqdas.co.uk)

These are some of the places in Imām Aĥmad Ridā Baraylawi’s renowned *al-Āṭāyah al-Nabawīyyah fī al-Fatāwā al-Ridāwīyyah* where the Imam discusses matters pertaining to the issue of Tafđīl al-Shaykhayn and that giving precedence to anyone other than Abu Bakr and Úmar radiyAllāhu ta’āla ánhuma is innovation.

Key: The number before the colon denotes the volume and the number after denotes the page of that particular volume, e.g. 5:175 would mean Volume 5, Page 175. Apart from the reference, a link to the brilliant Alahazrat Network website is given, by following which, one can go straight to the mentioned volume and page.

Not all pages of a discussion are given. Only the page where the discussion begins is stated.

The edition of *al-Āṭāyah al-Nabawīyyah fī al-Fatāwā al-Ridāwīyyah* that we have used is published by the Ridā Foundation, Lahore. The job of searching the volumes was made abundantly easier using the *Fatāwā Ridāwīyyah* CD that has been released by the Sunni propagation movement, Dáwat-e-Islāmi – may Allah reward them abundantly for creating this excellent resource.
